**28.11.2014**

Every year Boys' Town celebrates the Sports Day in the month of November. The most important person present in the school on this day was the school trustee sir Mr.Neville Mehta and the principals of all the sections of schools.

After the march-past, the school trustee sir declared the sports meet. The function began with the march past of all the participating students in their smart dresses. Then the race began. Our sports teacher blew the whistle for the race to begin and another teacher noted the time with the help of a stop watch.
